

I heard about the possible rule changes regarding radio broadcasting and I hope you please reconsider. Right now the radio station that I listen to almost exclusively is Klove Christian radio. In fact, it has made such an impact for me and my family that I am now a financial supporter of the station. It is one of the few stations that I can listen to with my 2 year old daughter and not have to worry about the content. The possible changes such as the (1) Requirement of a Community Advisory Boards, (2) Requirement of Additional Staffing and (3) the rule that would give priority to many new Low Power FM stations (LPFM) rather than existing translator stations would greatly hinder a station that has really made a difference in my life. Please reconsider these changes. Thank you.
